WHAT'S INCLUDED

Everything, Ready Out of the Box

- ✓ **Real, Verifiable Content**
Every tip is from real travelers who've actually been there, backed by timestamped video proof your travelers/guests can verify themselves.
- ✓ **Single or Multi-Country Guide**
Scope it to one destination or bundle several under one branded guide.
- ✓ **Customize by Region or City**
Narrow coverage down to the exact regions or cities you want to feature.
- ✓ **75+ Countries to Choose From**
Broad destination coverage ready to activate for your markets.
- ✓ **No Setup Fee, Fully Hands-Off**
Nothing to build or maintain on your end. We handle it all.
- ✓ **Auto-Updates from Real YouTube Vlogs**
New travel vlogs get added automatically as they're published.
- ✓ **Custom Branding**
Your logo, your colors, your identity. No WanderVlogs mention anywhere.

ADD-ONS

Make It Even More Yours

- + **Promotional Links / Tour Packages**
Add your own package links directly inside the guide.
- + **Custom CTA Button on Hero Section**
Drive visitors straight to your booking page.
- + **Custom Domain Support**
Use guide.yourbrand.com instead of a WanderGuide link.
- + **Usage Analytics**
See engagement and understand what your travelers/guests care about.

HOW YOU USE IT

Drop It Anywhere Clients Already Look

- 1 Reach travelers/guests during the discovery and planning phase, while they're still deciding where and how to go.
- 2 Share the link in pre-trip emails, DMs, or itinerary follow-ups.
- 3 Add it to your website as a dedicated destination resource page.
- 4 Include it in booking confirmations, check-in emails, or at the front desk for hotel guests.
- 5 Link straight from your tour package pages for more depth before booking.

WHY IT GROWS YOUR BUSINESS

- ✓ Clients arrive more informed, more confident, and more ready to book.
- ✓ Your brand stays front of mind through their entire planning journey.
- ✓ Confident travelers/guests refer you to the next one.
- ✓ Zero content creation or maintenance work on your end.
- ✓ Costs a fraction of building and maintaining something like this yourself.

Monthly Subscription • No Setup Fee • Cancel Anytime • No Long-Term Contract
